MINNEAPOLIS - PARK PLACE**

**MINNEAPOLIS, MN;** Maverick Management Group, LLC, (MMG) acting as an owner's representative and project manager for Investcorp International Realty, announces the completion of the lobby renovation for the Doubletree Hotel located in Minneapolis, MN.

During the 6 month design and construction project, MMG worked in tandem with Baskervill of Richmond, VA on the interior design as well as local engineers and contractors to complete the extensive revolving door addition.

The project included the installation of a new automatic revolving door as well as a complete redesign and upgrade of the lobby including registration desks, gift shop, tile, carpet, all new furnishings and a state of the art internet Connectivity Zone.

"We're delighted to unveil the Doubletree by Hilton Minneapolis Park Place's brand new lobby renovation", said General Manager, Dan Winslow. "We incorporated a modern design based off of downtown Minneapolis and the businesses that light up the street at night. The lobby works off of the travelers need for comfort, warm hospitality and technology. And of course, a warm Doubletree cookie at check-in greets every guest arriving to start their Doubletree experience."
